## ABOUT THE CLASS

This program is designed to evaluate the student's skills in cognitive and psychomotor exercises so that they will receive professional certification upon completion of the program, if they successfully meet the minimum requirements of testing. This examination measures the student's skills at the Heavy Vehicle Technical Rescuer Awareness, Operations, and Technician Level and will follow guidelines set forth in accordance with the policies and procedures of Bucks County Community College's Accreditation. Testing is based on current NFPA 1006 Standard, to the Heavy Vehicle Technical Rescuer Awareness, Operations, and Technician Level through the ProBoard.

(Students wanting professional certification will need to register through BCCC Campus Marketplace once successful completion of this course. Professional Testing is not performed through this class. Pro Cert. is NOT handled through FCPSTC)

STUDENT NEEDS: TOG, or Extrication Gear, Eye Protection

HOURS: 24.0 (Lecture: 8 hrs / Lab: 16 hrs)

INSTRUCTOR: Jerry Houpt
