

Basic Auto Theft Investigations

October 1, 2026
8:30 AM – 4:00 PM

Franklin County Public Safety Training Center
3075 Molly Pitcher Highway
Chambersburg, PA 17202

The PA ATPA will be conducting a training program on techniques and tactics for basic auto theft investigations. Attendees will learn to identify vehicles using vehicle identification numbers and confidential means and to recognize altered vehicle identification numbers and trade craft within the theft organizations. Attendees will also develop expertise to conduct a large-scale auto-theft-related investigation (with investigative methods during this course); present the case to the prosecution and prepare an indictment for the criminal participants. This program is geared toward both investigators and patrol officers.

Instructors will be experienced investigators from the Pennsylvania State Police Auto Theft Task Force program and the NICB.

There are **60** training slots available on a first-come, first-accepted basis. There is **NO** fee for this training. Lunch is provided. MPOETC approved for 6 hours CLE00127.
